

BrightLine Bags

THE  
**FLEX**  
SYSTEM

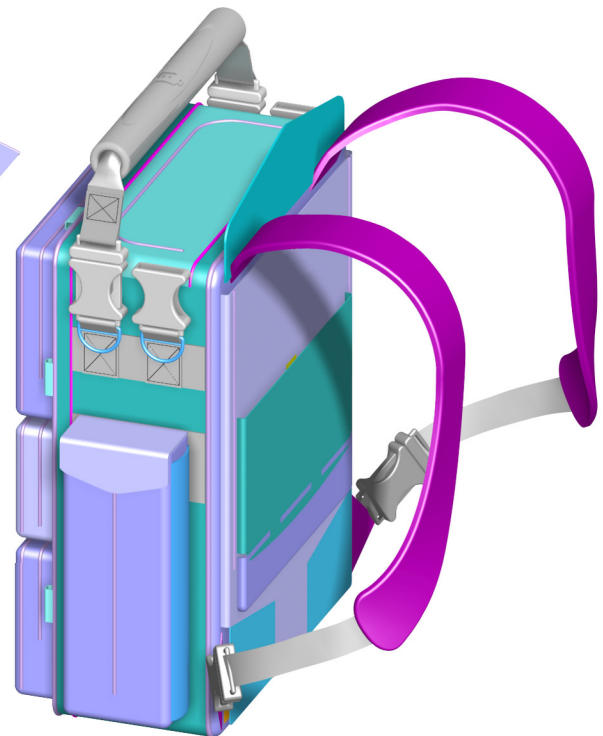

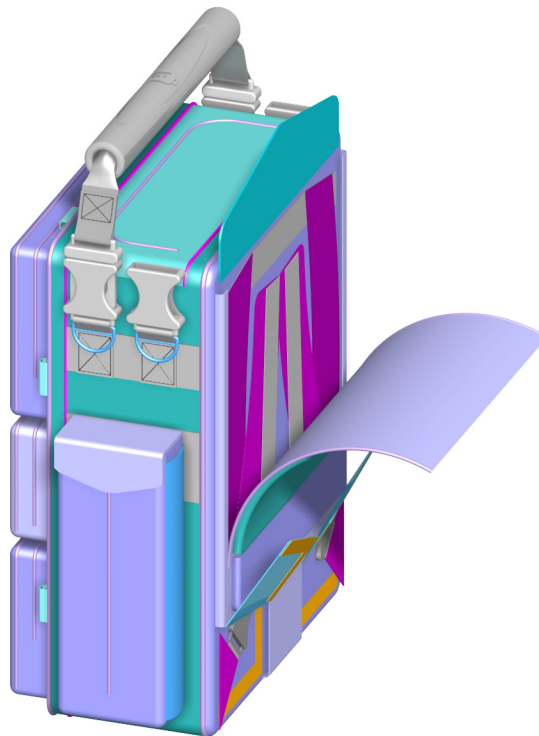

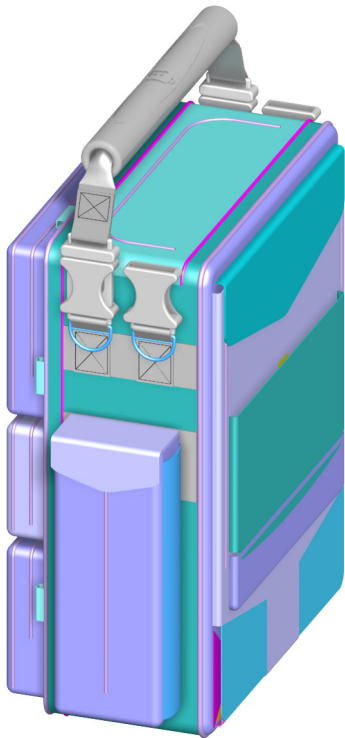

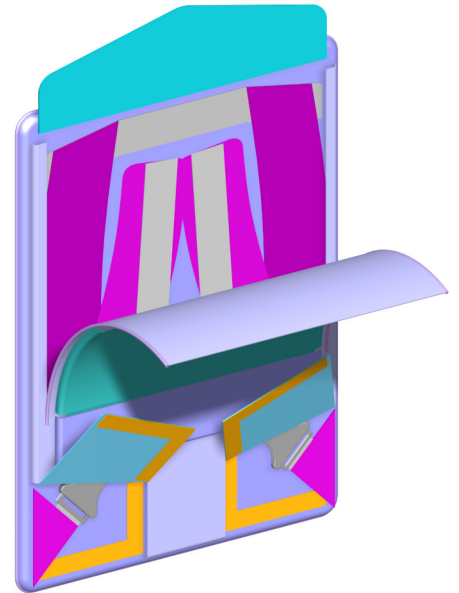

PICK YOUR PARTS. BUILD YOUR BAG.

## PACK CAP REAR

Shown on a B4 SWIFT

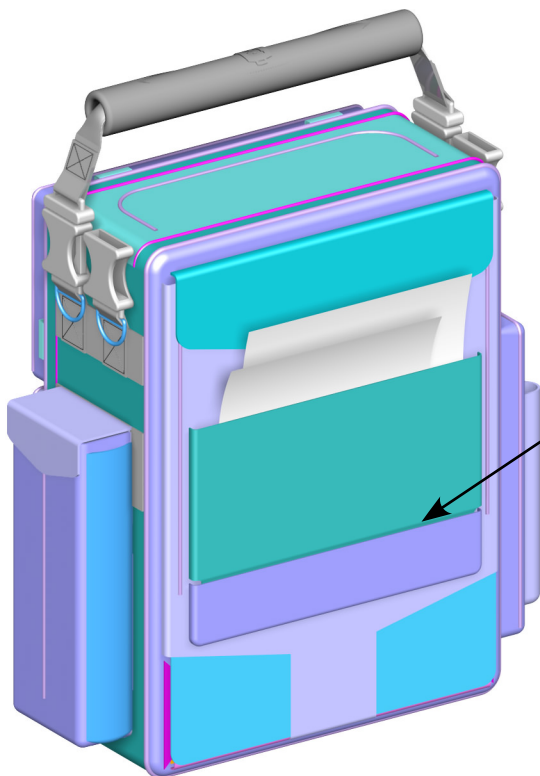

(False colors shown just for clarity.  
The entire bag is black.)

BrightLine Bags

THE  
**FLEX**  
SYSTEM  
PICK YOUR PARTS. BUILD YOUR BAG.

When the bottom edge of  
this pocket is tucked in . . .

. . . the pocket acts like a  
slip pocket and you can  
slide documents or other  
narrow stuff in the pocket.

## PACK CAP REAR

Shown on a B4 SWIFT

(False colors shown just for clarity.  
The entire bag is black.)

And then, if you un-tuck the bottom  
edge of the pocket, you can slide your  
suitcase tubes through and set your  
BrightLine Bag on top of your suitcase.
